

DIY MONTH IN FEBRUARY

PAINTERS, ELECTRICIANS, HELPERS WANTED

And this February, Moringen is set to become even more beautiful. We have our sights set on the kitchen, the men's toilet and a bathroom, and there is a lot of painting to be done, as well as some drilling. Depending on who comes, we may also think about other things – let yourself be surprised. We would also appreciate help with cooking, preparing salads, baking cakes, etc.

You are cordially invited to come with your talents, skills and joy to help renovate Baba's retreat centre, to paint and embellish it. Meditation, time-outs, delicious food and cosy meetings are also on the programme.

Arrival is possible from 4 February for a short or longer stay.
